MSc Palliative Care: Module Selection

Notes to Applicants:

- This form must be completed in conjunction with the **DMU Postgraduate application form**. Without it your application cannot be processed.

- Applications are welcomed from all members of the care team. Applicants should have an Honours degree at 2:2 or above, or an overseas equivalent, or have evidence of working at a postgraduate level. You must also be able to demonstrate that you have direct and continuing contact with patients who have palliative care needs.

- In exceptional circumstances applications may be considered from candidates who have worked at degree level but do not possess a university degree. If this is the case, you may be called for interview to discuss your application further.

- If applying for modules in all three semesters or for semester one only, please submit form by **1 August 2011**. If applying for modules in semester two and X, please submit form by **15 November 2011**. If applying for modules in semester X only, please submit form by **23 March 2012**.
